DESCRIPTION

The Studio has an production area of 10x15/150m² with large windows and skylights. Studio blackout curtains at the windows can ensure a totally darkness. A ceiling track system is permanently installed.

As you can see on the website, there is another space in the basement, which may be used, after arrangement, as a conference room or a diningroom. This area is not included in the normal studio rental price.

In summertime, you can visit our garden and sit and lunch at the stone table.

Open make-up area, shower, stylingtable, clothes racks etc. are available.

I.I. equipment optional:

1,25 HMI Spot, 1 Arri-Spot, Bowens flash system (9000 watt seconds) with diverse spots and lampheads, electric camera tripod, 1 wind machine, backdrop suspensions, technic incidentals. We hire and produce backdrops as desired. Anyway, an studio assistant must be booked on every production day. He will assist you in all organizational requests.

For clients, coming to us for the first time, we offer a discount of 10% for the first booking day. Students from the universities of photography, design etc. receive a special discount. (on request)

Cancellation fee (up to 10 days before start of production) and bad weather cancellation: 50% of studio rental, as well as 100% of external costs/ incidental expenses/ assistants

Cancellation fee (up to 5 days before start of production) and bad weather cancellation: 100% of studio rental, as well as 100% of external costs/ incidental expenses/ assistants
